

No. 612 - BUNA-N DIAPHRAGM SHEET

Part #	Size
612-116	1/16"
612-332	3/32"
612-180	1/8"
612-316	3/16"
612-140	1/4"

Description: A high quality nitrile sheet with nylon.

Service: This diaphragm sheet is suitable for oil, grease and solvent services.

Color: Black.

Durometer: 60.

Tensile: 1000 PSI.

Temperature Limit: -20°F to 200°F.

ASTM: D-2000.

*** Note:** Sheets can be cut to length.

No. 612N - NEOPRENE DIAPHRAGM SHEET

Part #	Size	ISSA #
612N-116	1/16"	811162
612N-332	3/32"	811163
612N-180	1/8"	811164
612N-316	3/16"	811166
612N-140	1/4"	811167

Description: This neoprene sheet is reinforced with cotton duck plies providing structural strength to the material.

Service: A strong, flexible, oil-resistant diaphragm material designed to transmit pulsation's between gases, air and fluids.

Color: Black.

Durometer: 60.

Tensile: 1000 PSI.

Temperature Limit: -40°F to 220°F.

ASTM: D-2000.

*** Note:** Sheets can be cut to length.
